Power Plate PRO 5 Vibrating Machine

Price: \$7 199.00

The PowerPlate Pro 5 gives your body the ultimate physical workout with the unique feature of being especially designed to adjust to individual body weights to maximize the effectiveness of your workout. The Power Plate Pro5 is ideal for people with little time to exercise, providing effective work outs in short periods of time. Incorporating revolutionary accelerated training technology, the power plate can provide the equivalent of an hour's work out in a fraction of the time.

Benefits of Power Plate Training:

Improve muscle strength, performance, flexibility and range of motion. Accelerates weight loss and defeat cellulite. Increase bone density (perfect for osteoporosis). Enhance critical blood flow throughout the body. Expedite the recovery and regeneration of damaged tissue. Enhance general wellness and quality of life.

The PowerPlate is safe and practical After many independent scientific studies and a tremendous amount of practical experience PowerPlate can guarantee the highest possible safety standards. The Personal PowerPlate takes up very little space; is user-friendly and easy to operate. The machine is virtually maintenance free and can be used at all times. Many managers even use the PowerPlate in the office. It is not even necessary to change for a short work out. And a pleasant side effect: the vibrations will dispel stress and fatigue immediately.

AWARD WINNING PERFORMANCE!

Due to its amazing effects the PowerPlate has already won several prizes. At the FIBO 2002; the world's largest fitness fair; the TV Rheinland/Berlin awarded the PowerPlate the "Innovation Award 2002" for Fitness Machines of the year.

PowerPlate was also awarded "Beauty Equipment of the Year 2003" at the international beauty exhibition "Nouvelles."

This Power Plate Pro 5 is BRAND NEW in the BOX with FULL Manufacturers Warranty.
