Life Fitness CT9500HR Elliptical Next Gen

Price: \$1 999.00

You are looking at an excellent example of a Clean and Serviced Life Fitness CT 9500HR Elliptical Next Generation Crosstrainer. This is a premium commercial grade, health club model, found in top fitness facilities around the globe. The CT9500 HR combines the cardiovascular/muscular benefits of running and the low impact of walking. User can alternate between forward and backward motions exercising large groups of upper and lower body muscles for total body results. Working out on an elliptical is much easier on the knees and enables the user to have more endurance to last longer than jogging or running on the treadmill, at the same calorie burn. Superior indoor cardio workout, even better than any home grade elliptical in the market.
