Stairmaster 4400CL Stepper New Style Nautilus FreeClimber

Price per Unit (piece): \$2 099.00

FOR A BRAND NEW MACHINE, PLEASE CALL FOR AVAILABILITY BEFORE MAKING A PURCHASE.

You are looking at an excellent example of a Remanufactured Stairmaster Free Climber 4400 CL Silver Face Model. The 4400CL Stepper features an upright, rail-less design being most space efficient, and yet extremely effective for a wide range of exercise and conditioning needs. Upright rail-less configuration encourages an improved exercise posture for the best lower-body workout of any climbing machine. Patented, independent pedal geometry ensures safe, biomechanical correct movement. New computer console motivates you during your workout with different program options and workout statistics. Speed control buttons allow you to increase or decrease the intensity of stepping action at any time during your workout. Electronically controlled brake precisely controls the pedal descent from 26 to 174 steps- POLAR Compatible. Buy yours now and SAVE!!!
